

The JM Foundation

The JM Foundation is a non-profit organization based out of Brookfield, IL. Our hope is to be able to help low income families in the area during trying times, while also inspiring people to give back. Being lifelong residents of the Riverside-Brookfield area, we have a personal investment in the well being of the neighborhood. Our goal is to be able to give back to a community that has given so much to us.

We are in our 6th year of fundraising for our main event **Foodies for Families**. With the help of **S.E. Gross Middle School** we've been able to assist several low income Brookfield families by supplying them with perishable and non-perishable food, basic toiletries, and winter jackets during the Christmas season.

On May 31st from 1-4 pm we will be hosting our annual event, Bowling for Brookfield, at Lucky Strike Lanes in Lombard, IL. All proceeds of this event will go to Foodies for Families 2014 which will take place in December 2014.

We are reaching out to the local businesses for items to raffle off such as gift certificates or gift baskets. By contributing to our event, we would gladly display your company details and logo on all our marketing materials, website, blog, Facebook page, and on the JM Foundation tee shirts given to each bowler at our event. Almost all of the participants are from the Riverside and Brookfield areas so your donation will go to good use!

If you are interested in donating, please complete the following form and submit it with your raffle donation. Donations will be picked up from your location by **Friday, May 23rd, 2014**. Please contact Michelle Jones directly if you have any questions or concerns michellebalagtas@gmail.com or (708) 612-1718.

On behalf of the JM Foundation and the families in Brookfield, we truly appreciate your support!

All the Best,

Michelle Jones
